Beginners Freestyle

Why not have a try at our Beginners Walk Trot Freestyle class
Invent a routine at home and then - Come and give it a try – put a few easy school movements together pick things that you know you and your horse can do well, be inventive & have fun.

You can use things like 20m circles, changes of rein, half 10m circles, 3 loop serpentines and loops 5m in from the track. Remember that in dressage tests you usually repeat the same trot movements on both reins, show some medium walk and a free walk on a long rein.

You can put your test together with or without music.

Your test must include:

Enter at A and proceed down centre line,
then, Finish with halt, immobility and salute at X facing the judge, minimum time 3.5 minutes, maximum time 4 minutes.

You will also be judged on things like riders equestrian skill & balance, harmony, choreography, use of the arena and inventiveness, interpretation of the music.

Freestyle

For competitors that can walk, trot & canter; have a try at our WRDA Freestyle class – The same as above but put a bit of canter in there. **This is a Prelim/Novice level class**, so please use movements that you would find in a prelim and/or Novice test. No pirouettes or flying changes thank you!

Your test must include Enter at A and proceed down centre line then, Finish with halt, immobility and salute at X facing the judge, minimum time 4 minutes, maximum time 5 minutes

If you're using music remember to bring your CD on the competition day!!
